Dear clients and partners,

We are pleased to announce JSC UTLC ERA rates and terms of freight forwarding services for transportation of transit containers with cargo as per the list approved by Appendix to the RF Government Regulation No. 778 dated August 7, 2014, as part of the regular container trains from Europe to China (**U EAST**) valid since January 1, 2021, till March 31, 2021, inclusive.

BASIC CONDITIONS of the transiting:

1. For the timely notification of the state agencies of the Russian Federation about the arrangement of the transiting through the territory of the Russian Federation of the cargoes covered by the list approved by the RF Government Regulation No. 778 dated August 7, 2014, the Customer shall notify the Freight Forwarder at least thirty-six (36) hours before the arrival of the containers to the station of the beginning of the Route and submit all the necessary information on the transported freight and containers being a part of the arranged transit container trains Europe-China under the procedure and in the scope stipulated by the RF Government Regulation No. 1877 dated December 27, 2019:
 - the coded of the transported goods per the Goods Classifier for Foreign Economic Activity of the Eurasian Economic Union in the format of at least 10 digits;
 - the country of origin of the transported goods;
 - the country of departure and destination of the transported goods;
 - the number of the owner and the country of the registration of the container;
 - the complete set of shipping documents (including the certificate of origin of goods).
2. In the case of improper (incomplete) performance by the Customer of the obligations specified in clause 1, which hinder the Freight Forwarder in the performance of its obligations under the order due to the railroad station rejection of the containers, the containers detention by the customs authority, and/or absence of approval by the transport control authorities, the Freight Forwarder shall not be held liable for a failure to perform or to timely perform its obligations under this order, and the Customer shall compensate the Freight Forwarder's losses in the amount of the incurred and documented expenses associated with the platform idling, fines by the state agencies, and other losses being the fault of the Customer or the third parties engaged by it.
3. If the Customer fails to notify the Freight Forwarder under the procedure and within the terms specified in clause 1 the Freight Forwarder has the right to request the Customer to pay the forfeit (fine) in the amount of USD 1,000 per container or a group of containers being a part of one transit container train Europe-China, about which the Freight Forwarder was not notified or was notified late, or was notified without the submission of the complete information, and the Customer shall pay such forfeit (fine).
